

*You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. **This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.***

2 Corinthians 9:11-12

*How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? **And how can anyone preach unless they are sent?***

PRAYER AND CARE
TEAM

*THE
Chapel*

What is a PAC team?

PAC Team stands for Prayer and Care Team. It's a small group of people from The Chapel who commit to praying and caring for our Global Workers' spiritual, emotional and physical needs.

Why are they so important?

A PAC Team can bond with a Global Worker in a more intimate way than a broad base of supporters. We want those whom we send to feel genuinely cared for and not like they are just names on the program or line items on the budget. We want to SEND Global Workers, not just have them.

How are they formed?

A PAC Team should have at least six (6) adults (no relatives of Global Workers, please) from at least three (3) households. You do not need to be a member of the church to be a PAC Team member, but the PAC Team leader will be a member of The Chapel.

This may be a wonderful way for you, your spouse, and children of any age to get involved in global ministry.

What would I do as a PAC team member?

Each team will discover its own unique style and rhythm for ministry, but there are six commitments every team member should make:

PRAY

Pray for your Global Worker weekly.

CORRESPOND

Correspond with them regularly, following all Communication Guidelines as provided by the Global Worker.

ADVOCATE

Advocate and be the connection point for your Global Worker at The Chapel.

MEET

Meet as a team at least every quarter for prayer.

CARE

Provide practical care for your Global Worker while overseas, on home assignment and in transition.

EQUIP

Equip yourself by reading materials (books, articles or blogs) provided by the Sending Team.

How do I sign up?

If you would like to join a PAC Team or have any questions about them, please contact our Sending Director

Steve Elworth

steve.elworth@thechapelbr.com.

If you received this brochure from a Global Worker who has asked you to join his or her PAC Team, please give this your prayerful consideration.

You are invited to strengthen our Global Workers, to create an atmosphere where they feel safe to share on a personal level and to serve as their advocate. This is a wonderful way to help our Global Workers stay connected to our church family although separated by considerable distance.

We would ask that you commit to the team from the pre-field training through at least the Global Worker's first home assignment. We encourage you to consider a longer-term commitment as continuity will enhance The Chapel's responsibility of care to the Global Workers.
